Gift Aid Declaration

Tower:-.....

To The Gloucester and Bristol Diocesan Association of Church Bell Ringers,

Please treat the payments I make to the Association to cover the subscriptions of myself (and my family) and any additional donation(s) I make as Gift Aid.

1.

I note that the Association will reclaim income tax at the standard rate in force at the time I make the payment. The payments I make will be out of taxed income. If I cease to pay tax I will let you know.

2.

Please note that I wish this declaration to be effective from subscription payments for 2000

3.

I understand and accept that the information on this declaration and relating to my payments will be processed by the Association on a computer for the purposes of reclaiming the tax.

Notes:

1. If this declaration is only to cover your own subscriptions please delete the section "(and my family)" else please list family members here:
2. The payments to the Association should be out of taxed income, capital gains or interest. If you pay tax at the lower rate this is still acceptable. If you are a higher rate tax payer you may also reclaim the tax on your payments represented by the difference between the standard rate and you top rate of tax. If you are not a tax payer then there is no point in you completing a declaration. If you cease to pay tax then please let me know. If you do not you may become liable for the income tax we have reclaimed.
3. You may backdate the declaration to cover payments made on or after the 6th April 2000 but not for more than about 6 years which ever is the most recent. If you are a new tax paying member or have a previous Covenant / Gift Aid declaration than please change this to the current year.
4. For the purposes of the Data Protection Act you are advised that the Association will process information contained in this declaration and about your payments covered by this declaration on a computer solely for the purposes of administering the Gift Aid scheme and reclaiming the tax. The information will not be divulged for any other purposes except incidentally during any necessary servicing or repair of the computer.
5. Please make sure you have signed and dated this form and included your full name and address. You may also submit the declaration by e-mail, if you do this please include the information in the declaration above (but a signature will not then be needed).
